

Tom, when I first heard about The Way of the Master Method I was a little hesitant because I tend to be very reserved, especially to people I don't know. As I've grown with the Lord, He has given me compassion for people that I've never had before. My problem was that I couldn't find the "right" time and that I was too fearful of what they might say/think of me.

As I watched the video's it really struck me how many people thought they were going to heaven just because they believe they're a good person. So many people are deceived and NEED the truth told to them. I realized that I can't ultimately change these lost souls, but I need to do my part as a Christian to spread the love of Jesus Christ. This series has made me more knowledgeable in how to teach others about The 10 Commandments and how God is not only a God of love, but a God of justice. We all need to ask our Heavenly Father for forgiveness of our sins and make Him our guide in everything we do.

These tracts are perfect icebreakers that really enforce individuals to think about the ultimate question: Am I good enough to go to Heaven? After watching Kirk Cameron, Ray Comfort, and you talk to random people on the street I could see how they were really pondering their status with God and very thankful for taking the time to reach out to them. That would be so awesome if I could also be that person to lead someone to Jesus. TWOTM has changed my life in recognizing the value of people's salvation and giving me the confidence to lead them to ultimate fulfillment. Thank you for all that you do in glorifying our Lord.

Sincerely, Christa
