

Tom,

Any way that gets people to know Jesus as Lord and Savior is ok with me!!!!!!!!!!!!!!!!!!!!!! As far as I am concerned, this is another tool in my bag and like different methods of teaching a student how to play an instrument, the more effective you will be in the long run. Nothing works all the time and people feel comfortable with different methods. Something may work very well with someone and not with someone else. It's all about saving souls. Like you say it's the way of the Master to point out our sins and the promise of God to give us a way out, through the blood of Jesus on the cross. How can this be rejected? Why? You say, so called believers...this is a growing concern of me and what I hear from so many Christians.

I plan on using this method and also explaining what God said. I know scripture and live by it. Most of people don't even know scripture, never mind feel comfortable sharing it with others! I study in Hebrew so I can be effective with Jews, just another tool in the bag! You know Tom, no matter what you do in the name of the Lord, you will be rejected. What keeps me going is...Jesus was perfect and they crucified Him. What can we possibly expect from manking?! He died for me. The least I can do for Him is put my life in His hands and serve Him. I think people reject this method and evangelizing in general because they don't want to do it. They feel

**UNCOMFORTABLE WITH IT....awwwwwwwwwwwwwwwww! Too bad! Get a life. Jesus gave you your life, now give Him your time!**

Just let me know what I can do for you. You have done a lot for me and so many others.

Again, my dear friend and brother, thanks for what you do. Please say hi to Catherine, your lovely wife.

Your brother in Yeshua, HaMoshiach.

Dave.
