

Dear Tom and Catherine,

1/30/10

I would like to take the time to thank you for the privilege for me and my kids to attend your class. I learned even more this time and the love you and Catherine have for people is amazing. I am so glad I came and want to continue to learn so that the Lord will be able to use me. Thank you also for the Gospel tracks and the handout on How to Witness. Also for the food!!

Thanks so much.

Your website is great!! Also are you going out tonight? I would like to go but want to meet where you park.

Thanks so much,
Jean, Josh & Ariel
