

Dear Tom,

I Thank the Lord Jesus Christ for your obvious Love and Passion you have for the Lost!!! The way you supported, explained, and presented The Way of the Master evangelism technique was excellent!

Nancy and I do evangelism in a Local Park where there are homeless and drug addicts; However, the local people who enjoy the park we haven't been able to share the Lord's Story with, yet; However, The Way of The Master Evangelism technique, I feel in my spirit, will be the way to reach ALL the LOST!!!

We Thank-you for your Godly work; Especially now In The Last Days before the Rapture!!!

Sincerely,

John & Nancy
