

Hello Tom:

1/26/2010

My fiancée Vivi and I had an excellent time at the seminar, and an even better time witnessing with you at Mill Avenue in Tempe, Arizona. Not only was the seminar a great source of instruction, encouragement, and strength, but also a wonderful time of fellowship; there was a genuine care, unity, and love between these believers.

More precisely, I felt like I was really a part of a Body of believers (Church) which was ready to do the real work which its Head (Jesus Christ) has commanded to be done. Your teachings on evangelism were biblical and easy to understand. I also appreciate your other teachings, like: how not to argue; how to internalize a truth to better remember it and apply it; and how to stay honest while being loving.

I really appreciate this service which you offer, and I pray that God blesses your ministry to bring many people to find faith in God. Amen.

We love you and hope to see you again soon.

In Christ:

Kevin and Vivi.
