According to Bill Bright, founder of Campus Crusade for Christ, only 2% of Christians actively share their faith. That means (for some reason) 98% don't. That may be because they feel they haven't been equipped to do so. That's why Kirk Cameron (Growing Pains / Left Behind: The Movie) and author Ray Comfort* have teamed up to create the videos in this powerful and eye-opening course**. You will come away knowing how to share your faith with your: co-workers, mother, father, siblings, spouse, children, and even perfect strangers. You'll learn you don't have to feel intimidated by atheists, intellectuals, Moslems, Jews, or even the self-righteous. You will gain wonderful Biblical insights and newfound courage. You will learn about the neglected subject of true and false conversion, and why there is such a massive fall-away rate within our churches. You will be taught how to share your faith simply, effectively, Biblically – the way Jesus did. That's why we call it, "The Way of the Master."

*Ray Comfort's ministry been commended by Franklin Graham, Josh McDowell, Dr. D. James Kennedy, and many other Christian leaders. You can learn more about both Ray and Kirk online.

**This course has been commended by John MacArthur, Ravi Zacharias, and David Jeremiah.
