

Tom,

I would like you to know that the Seed Sower class was the best thing that happened in my life, as well in my husband. It helped both of us to be able to share Christ with many people in Brazil Mission Trip. Thanks be to God, 36 people received Christ and 29 of them got Baptized in the Amazon river, where has thousands of "piranas", but no one got eaten, nor beaten, again thanks be to God, and 5 of those people was my direct family. None of these would be possible if we would not have the training that you & Alan gave us, certainly the videos was amazing because helps you really put the thinks of God in perspective, helps you to really go for not just wait for tomorrow, when tomorrow may not exist, and the person you really love and care about is now in hell, when you we're with that person so long and didn't say anything because you're afraid of offending the person, but afraid for the person's destiny in hell.

Tom thanks, very, very much for taking the time and really loving us by giving us the tools to go and share Christ, follow his commandments.

God so loved the World that he gave His only begotten Son, that whoever would believe in him shall not perish, but have ETERNAL LIFE. John 3:16
